Grant Funding Request Instructions

FOUNDATION GUIDELINES

The Phoenix Police Foundation (PPF) supports the City of Phoenix Police Department (COPPD) by providing funds in the area of unmet capital needs such as equipment and technology upgrades, specialized training, community outreach and youth programs. In addition the PPF provides funds for employee recognition and financial assistance in crisis situations. Each year, the PPF's Board of Directors consults with COPPD leadership to determine priorities for funding.

APPLICATION PROCEDURE

Prior to submitting an application to the PPF, grant requests are first reviewed by COPPD command staff to ensure the need is a Department priority and that the PPF is the most appropriate source of funding for the request.
